

PICTURE DAY INFORMATION

Picture day is during classes May 24th & May 26th. Please make sure a parent is with each dancer to help them prepare for pictures. Dancers will need to bring all costumes with them (see chart below), correct shoes, any bras will need to be checked that they don't show underneath the costumes. Hair will need to be in a bun with hair pieces (see chart). Dancers are allowed to wear natural looking makeup for pictures if parents would like, however, it is not required. Picture order forms are being sent home separately and all information can also be found on our website at:
